Sub: **Announcement u/r 30 (Updates on Brewery Project)**

Respected Sir or Madam,

In the captioned subject matter, we would like to further update to the stakeholders' of the Company as under –

The process of installation of Brew-house and Fermentation tanks are under process and likely to be completed by 15th of March 2026.

Secondly the company is awaiting the delivery of its Bottling Plant and is likely to be get delivered by end of March 2026. Henceforth the integration of the tanks and the packaging plant would be done by the technicians. We are hopeful of brewing the first test batch of beer between mid to end of April 2026.

In order to start commercial production, the Company needs to start working of bottling plant and in order to do the same; the technical team from Germany will be visiting plant in the month of March 2026.

Once the bottling plant is being operative as well as will be connected to brewery production, the Company will be able to start commercial production.

The above is likely to be completed by mid of April 2026.

The above is for all the relevant stakeholders to take note of.

Thanking You,

Yours Faithfully,
For **KHOBSURAT LIMITED**
